Set-Aside Is Our Business

Medicare Set-Aside (MSA) cases require expert knowledge and preparation.

At RTA, we specialize in Set-Aside. Our certified experts help Plaintiff or Defense attorneys assess medical data and determine proper costs related to injury, illness or disability.

Our analysis includes...

- Case review to determine the need for MSA
- Type and extent of injury, illness or disability
- Calculation of life expectancy
- Projection of long-term medical needs and costs
- Dollar amount required for MSA allocation

RTA provides value-added experience, knowledge and know-how for Set-Aside as well as all aspects of case management including life care planning, objective assessments, timely resolution and expert testimony.
